

Certificate in Counselling (English) - 12th Intake

Course objectives

The Certificate in Counselling is an elementary level counselling training programme and aims to provide awareness of what counselling is all about and the specific issues in relation to counselling.

By the end of the Programme you will be able to describe and understand the major concepts of foundational theories of helping.

Special feature

The Certificate in Counselling is designed to enable you to have a wide exposure to counselling related issues and a brief understanding of counselling theories.

Who should attend

- Therapists, Social workers, Pastoral Caregivers, Teachers and Professionals in related field of work or ministry
- Individuals who are interested or considering to join the counselling industry.

Course Outline

- Quality Beliefs and Values of Counsellors
- Key Concepts in Counselling
- Psychological Development and Application
- Family of Origin
- The PADI Models
- Counselling Skills
- Interpersonal Issues
- Marriage Issues
- Parenting Issues
- Mental Illness
- Crisis Intervention
