

Soaring High

A Collection of Works by Seniors from our Community

A collection of amazing paintings and photography by the seniors in our community is featured in this 96-page of vivid full color hardcover book entitled: "Soaring High".

The artistic works of these seniors were exhibited at "Revealed" Fine Art & Photography Exhibition, a 9-day exhibition held at Clarke Quay Central from 17 to 25 October 2015.

"Behind each and every artwork in this book lies a compelling and touching story. For most of the seniors, their lives have been changed for the better through this creative and reflective process"

*Ms Josephine Teo, Senior Minister of State
Prime Minister's Office;
Foreign Affairs; Transport*

To commemorate Care Corner's 35th year anniversary, Care Corner Seniors Services has put to print the artistic endeavours of our seniors which depict their individual lives. The coffee table book is a celebration of the seniors' works, capturing their journey and growth and how far they have come. All seniors reside in one-room HDB rental flats and are members of Care Corner Senior Activity Centre (TPI170).

Each book is sold at S\$50 and all proceeds will go towards Care Corner Seniors Enabling Fund to enable more seniors to be introduced to the Arts - a programme that has turned lives around.
