FUNDING NEEDS

\$500K

To provide holistic care to **CHILDREN** from low-income families. Nurture them to attain age appropriate development and overcome learning challenges.

\$300K

To support **YOUTHS** in acquiring adult-ready life skills through community and school-based initiative.

\$500K

To care and support frail and vulnerable **SENIORS** and enable them to age well in place.

\$500K

To provide subsidised professional counselling and therapy for **INDIVIDUALS** with mental health, relationship, emotional and psychological challenges.
